Google
Multi-disciplinary full-text database that offers indexing and abstracts for journals monographs, reports, conference proceedings, etc. The database features PDF content going back to 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are also provided.
Academic Video Collection
Collection of full-length streaming video titles covering history, area studies, art and architecture, business and economics, counseling, criminal justice, dance, education, ethnic studies, ethnography, health, humanities, literature, opera, philosophy, politics, psychology, religion, theater, women and gender studies, and world languages.
Access Newspaper Archive. Contains searchable newspaper pages, dating as far back as the 1700s in the United States. Includes local newspapers in Virginia such as the Progress Index from July 1865 - December 1977.
Accessible Archives Devoted to primary source material in American history that includes selected African American newspapers from the 19th century. Information archived is from leading historical periodicals and books, and includes eyewitness accounts of historical events, vivid descriptions of daily life, editorial observations, commerce as seen through advertisements, and genealogical records.
ACM Digital Library
Bibliographic information, abstracts, reviews, and the full-text for articles published in ACM periodicals and proceedings since 1985
Advanced Polymers Abstracts
Provides citations and abstracts to the technical literature on the uses, manufacturing, and properties of thermoset and thermoplastic resins-- materials that compete with metals for structural applications.
African American Music Reference
Collection contains biographies, chronologies, sheet music, images, lyrics, liner notes, and discographies which chronicle the diverse history and culture of the African American experience through music.
African-American Poetry, 1760 – 1900
This is the new web link for this resource.
African American Song
Collection contains a diverse range of genres such as jazz, blues, gospel, ragtime, folk songs, and narratives, among others documenting the history of African American music in an online music listening service.
